### Modifications to 2020 NSWRL Community Competitions as a result of COVID-19 impacts

The following document provides a summary of rule modifications to the 2020 Community Rugby League season as a result of the impacts of COVID-19. These rule modifications supersede existing Rules and By-laws outlined in local Region/Districts Handbooks.

*Note: Please be advised that these amendments have been implemented for the 2020 season only and should not form the basis of applications for dispensation to rules in future seasons.*

#### 1. CODE OF CONDUCT AND JUDICIARY PROCEDURES

In 2020, all Judiciary and Code of Conduct hearings will be held via video conferencing / zoom meetings on the same days and times specified above

#### 2. FORFEITS

If a team is required to undertake mandatory quarantining requirements in the event that a player or players from the team have been exposed to the COVID-19 virus, and those requirements result in a forfeit, the result of the match will be considered a draw. Adequate medical proof is required to be submitted to the NSWRL Competition Coordinator or Local League Administrator for approval

#### 3. MATCH DURATIONS

Due to current Government restrictions on social gathering numbers at venues (100 or less at any one time), there is a requirement to have extended breaks in between games in order to avoid exceeding these limits when teams are arriving to a venue whilst other teams are still playing.

This impacts on the scheduling of matches and the total number of matches that can be held at a venue for the day. To minimise this impact, the following modifications to match durations must be implemented whilst social gatherings are restricted to 100 people or less at a venue:

Age Groups	Amended times	Period 1	Drinks Break	Period 2	Half time	Period 3	Drinks Break	Period 4	Gap required between matches	Total time
U/6s to U/9s	4 x 7	7	2	7	3	7	2	7	20	55
Please note: For U6s to U9s, play will resume from a Quarter time break at the point as per the laws of the game – a kick off										
U/10s to U/12s	2 x 16	8	2	8	4	8	2	8	20	60
U/13s to U/15s and Girls U/14 to U/18s	2 x 20	10	2	10	4	10	2	10	30	80 (approx.)
U/16 to U/23s	2 x 25	13	2	12	4	13	2	12	30	90 (approx.)
Open Age	2 x 30	15	2	15	4	15	2	15	30	100 (approx.)
Open Age-Regional	2 x 40	20	2	20	2	20	2	20	30	120 (approx.)
Please note: For all other age groups and grades, play will resume from a Drinks Break at the point in which the match was stopped										

*NOTE: These durations are to be implemented if social gatherings at venues are restricted to 100 people or less. If these restrictions are eased and numbers allow teams to arrive and warm up whilst other teams are still playing, then match durations may revert back to normal.*

#### 4. FIRST AID / TRAINERS

All trainers who enter the field of play, must not carry water bottles or administer water to players during play. Drink breaks will be scheduled for quarter, half and three quarter break times as outlined in the match duration table above

#### 5. GRADING / RE-GRADING

Regrading rules and processes may be District / Region specific and therefore, local Rules and By-laws relating to re-grading of teams will apply. Please contact your District / Region Administrator for more information

For all NSWRL Conference Competitions, the NSWRL Community Competitions Coordinator, in collaboration with the Stakeholders group, will have the ability to move teams from their current division after three (3) rounds have been played

After three (3) matches, no teams will be moved from their current position

#### 6. TIME OFF AND SCHEDULED TIME DELAY

No time off during regular competition matches

Should restrictions on social gatherings of 100 people or less be eased, allowing normal scheduling to resume, time-off rules may revert back to normal

#### 7. REGISTRATION

The June 30th cut off for players to register and de-registrations to occur, will not be in effect for the 2020 season. Player eligibility requirements for participation in Finals Series will still apply

In 2020, rules that determine if players from Major Competition teams on a portability agreement are included in the maximum registration quota of a team participating in a Community Rugby League competition, as well as the maximum number of portability agreements that are allowed, may be District / Region specific and therefore, local Rules and By-laws will apply. Please contact your District / Region Administrator for more information

#### **8. PLAYER PERMITS AND REGISTRATION FEES**

Where a player chooses to permit across to another club, any registration fees paid to the original club, must be transferred to the new club

Active Kids vouchers cannot be refunded to a participant, but they can be transferred when a participant is active and permitted to a new club

Where a player at an inactive club chooses not to participate in the 2020 season, the participant should receive a refund of any paid registration fees minus any costs incurred by the club.

*NOTE: Permits are not transfers/clearances. All approved permits will expire at the end of the 2020 season and participant registrations will automatically revert back to their original club. Any player movement for the 2021 season will be subject to the NSWRL Transfer Policy*

#### **9. PLAYER MOVEMENT (Higher Level Competitions)**

Rules that determine the eligibility of Major Competition players participating in Community Rugby League competitions in 2020 may be District / Group specific and therefore, local Rules and By-laws relating to Major Competition player movement will apply. Please contact your District / Region Administrator for more information

For 2020 NSWRL Conference Competitions, Major Competition players may only participate in Gold Division Competitions

Any clubs with a link to a NSWRL Major Competition team (Sydney Shield, Jersey Flegg, Ron Massey Cup, Canterbury Cup and Harvey Norman Women's Premiership) are only permitted to play five (5) players from that higher-level team on the one weekend in the relevant Conference Competition (no more than five (5) can participate), subject to rule 6.94

In season 2020, Major Competition players will be categorised as Category A or Category B based on matches played in 2019 and 2020 as outline below:

#### 11. MATCH DAY OPERATIONS

Once a team has signed on, they are permitted to carry out their warm up. Teams should not return to change rooms and should enter the field of play straight from their warm up location

#### 12. DUMMY HALF/ FIRST RECEIVER VESTS (DH AND FR)

The requirement for FR and DH vests to be rotated at half-time in matches is null and void for the 2020 season only. That is, the same players may wear the DH vest and FR vest for the whole match.

Teams have the option of rotating FR and DH vests at half-time in matches, but only if FRESHLY LAUNDERED vests are to be used. That means clothing and equipment MUST NOT be shared between players, as per COVID safe practices.

The NSWRL recommends all participants are given the opportunity to play in the DH or FR role at some point during the season.
